

IEEE Engineering Frosh Competitions 2009 – Registration Form

Competition (Circle one only)

Aerial Robotics (Waterloo Aerial Robotics Group)

Rocketry (Waterloo Space Society)

Wind Turbine (Sustainable Technology Education Project)

Sumo Robot (UW Robotics)

Bicycle Modification (R3Design)

NOTE: Competitions have limits between 10 and 25 teams. First come, first served. Your fee will be returned if the competition is fully booked and you are not interested in another event.

Team Information

Your team must consist of between 4 and 6 first-year engineering undergraduates. Please print neatly.

Member Number	Name	Email
1 (Captain)		
2		
3		
4		
5 (if applicable)		
6 (if applicable)		

Please indicate a phone number at which your team can be contacted: _____

Payment and Submission

Please attached \$40 cash registration fee and submit this form to the IEEE Office in Engineering 2, Room 3353B, or to the IEEE desk in the CPH foyer (if staffed), on or before September 23, 2009.

Further Information

Once the registration period closes, you will be contacted by email with detailed competition rules and information on where to pick up your competition materials. Competitions will occur on October 17th and 18th, 2009. Winners will get to display their designs at an inter-university IEEE conference on October 24th and 25th.

Contact Information

If you have any questions or concerns, please contact Derek Bennewies at drbennew@engmail.uwaterloo.ca, or visit the IEEE Student Branch website at www.ieee.uwaterloo.ca.
